**Michelle Livermore**

California

"I've tried every diet plan or pill short of prescription diet drugs and nothing worked for me until I discovered Symmetry's Weight Management System. In 6 months, I lost 44 lbs., over 25 inches, and went from a size 16 to a size 6!"

Note: to lose weight, you must combine sensible good eating with regular exercise that works the whole body. Exercise and proper diet are critical to achieving and maintaining weight loss. Also make sure that you are drinking enough good quality water every day.

---

**Product Information on LipoSorb:**

Symmetry’s Lipo-Sorb formula is a revolutionary calorie reduction system.

Liposorb is designed to help you reduce the overall absorption of dietary fats, calories and sugars quickly and safely. It's a safe, powerful way to help complement your weight loss program and help meet your own weight loss goals.

Use Lipo Sorb in conjunction with other Symmetry weight management products for optimal results. It's a simple way to reduce your weight safely and help you maintain long-term health when accompanied with a healthy diet, exercise and other changes in lifestyle.

Dr. Lewis Wright, MD  
New York

"I can truly say that the quality of the Symmetry nutritional products has enhanced my health and, most importantly, allowed me to improve the quality of health of the many patients that I serve. These high quality nutritional supplements help us reach the level of optimal good health, while providing us with a defense system to offset and protect us against the multitude of pollutants that we are exposed to every day. In addition, Symmetry products are safe and can be used by people of all ages. I find that they are an essential part of any health preventive program."

LipoSorb
